## ANSWER

وَشَاهِدٍ

*...and by that which attends [85:3]*

## COMMENTARY

With reference to a prophetic Hadith reported by Tirmidhi... the phrase 'that which attends' refers to 'Friday'.

### TAFSĪR IBN KATHĪR

**(And by the Witness.)** This refers to Friday, and the sun does not rise or set on a day that is better than Friday. During it there is an hour that no Muslim servant catches while asking Allah from some good except that Allah will give it to him. He does not seek refuge from any evil in it except that Allah will protect him.

**And Allah Ta'ālā knows best.**
