

ANSWER

وَاللَّيْلِ إِذَا يَغْشَاهَا

and by the night when it envelops him [91:4]

COMMENTARY

The fourth oath is taken thus:

(and by the night when it envelops him, . . . 91:4). In other words, when it [the night] sets in, the brightness of the sun is concealed [and only darkness prevails].

TAFSĪR IBN KATHĪR

And they have said concerning Allah's statement, **(By the night as it Yaghshaha.)** meaning, when it covers the sun, which takes place when sun disappears and the horizons become dark.

And Allah Ta'ālā knows best.
